COMING NEXT MONTH… GET READY TO SINN WITH THE ALL-AMERICAN SHOW-GIRL… NEWCOMER SUMMER SINN!

SOME *SCORE*-DUDES JUST WANT TO SEE THEIR LETTER IN PRINT!

Dear *SCORE*,

My name ia Carl, and I am 19 years old, so you know I'm not a long time reader, but I would like to become one. I just read the Nov. '04 issue, putting an end to my first year with you guys and having my first anniversary with *SCORE*.

I just wanna tell you all that I love big boobs and you guys really are "#1 in big boobs." You dudes keep showing girls like Sharday, Vanessa Montagne, Ines Cudna, Linsey Dawn and Crystal Gunns (my top five) and I will keep buying your magazine. From Cathy Barry to Charlee Chase and all of the girls in between, it has been a great year and I have no reason to stop. Just keep up the good work and I'll keep cumming back for more.

Rock on *SCORE*-dudes.

Oh yeah, it would be way cool to see my letter in my favorite magazine. –"Carl," Brooklyn, New York

Dear Carl: Time to buy extra copies and hand them out to friends! Happy anniversary, Carl. Here's to many more!

THE GREATEST NATURAL?

Dear *SCORE*,

The very fact that this question even has to be raised is an insult to Linsey Dawn Mckenzie. Linsey is by far the greatest natural of all time. I totally agree with C.H. from England's comments in the Sept. '04 issue. The fact that Linsey has not won a *SCORE* Model of the Year or a *Voluptuous* Model of the year is the biggest crime since George W. Bush stole Florida. Linsey should win Model of the Year by a landslide every year. I don't know what your readers

WELCOME TO THE ANNUAL *SCORE* AWARDS ISSUE

Greetings ***SCORE***-dudes and dudettes.

If you're a long-time reader, you know exactly what's happening this month, so stop reading, start your stroking and don't forget to vote on page 66.

For all of you newcomers, here's the skinny on this busty shin-dig we like to call "The ***SCORE*** Awards," aka…"The Bustiest Show On Earth." Annually we offer up a collection of the year's best newcomers and the best veteran models and showcase them, asking readers to answer one simple question…who's the best?

It's a daunting task; that you can be assured of. Looking at the Finalists for ***SCORE*** 2004 Model of the Year on page 56 and the two dozen-plus newcomers scattered throughout this issue (arranged chronologically by month from Jan. '04 on page 36 to Holiday '04 on page 118), ya'll have some tough choices to make.

Equally frustrating, but in a most enjoyable fashion, will be selecting three inductees for the Big-Bust Hall of Fame on page 14. All of this year's nominees belong, but only three will make the cut, and who they are is entirely up to…you, the reader.

When you turn to the official ballot on page 66 and read the rules, you'll know that your vote truly does matter. In fact, your votes are the only ones that count. Nobody at ***SCORE*** has a say in who wins or loses. Sure, we have our favorites, but this is your contest, so choose wisely, but most importantly, choose somebody.

Now, some changes from last year…Only one vote per person. We're requesting names, cities and zip/postal codes to avoid guys from sending in hundreds of votes for their favorite model. Yes, some guys will still try, but we're going to weed out multiple ballots whenever possible. Bribery is encouraged. Though it won't help your favorite model win, yours truly will be able to get more lapdances. And, lastly, the awards will be announced in the June '05 issue, to give all readers a chance to get their votes in.

Now, STOP READING and grab your Bounty! The best of the best ***SCORE***-girls await!

–Bruce Arthur, editor

are looking at, or what they are looking for, but when it comes to the total package, Linsey Dawn Mckenzie has it from head to toe.–K.L., Michigan

Dear K.L.: Unlike that election farce of four years ago, we can actually count here at SCORE, *and numbers don't lie. True, Linsey has plenty of fans, just never enough to get a title. Perhaps this is the year Linsey will come through.*

AMERICAN-BASHING

Dear *SCORE*,

I have just read (and lusted over) the Sept. '04 issue and wanted to respond to the letter "American-Reader Bashing" from a fellow Brit (C.H., of England).

Is this man living in "cloud cuckoo land?" The reason why Linsey Dawn McKenzie has not been chosen as *SCORE* Model of the Year is that, in the eyes of the readers, she is not considered good enough.

I am a Brit, but why bash American readers just because they don't choose the girl of your desires?

Get real pal!

In my opnion, there are better girls than Linsey–prettier and just as voluptuous. Take the Sept. '04 issue as an illustration of my opinion. Nadine Jansen, Cassandra, Autumn and Melenie Addison to name but four in that issue. All are natural and all are very pretty with perfect bodies. But it seems as if C.H. has tunnel vision.

I regularly buy *SCORE*, *Voluptuous* and most other mags from The SCORE Group, and I love every one of the girls in the mags. If C.H. wants a Brit girl with a great body and "come to bed eyes," he should choose Susie Wilden. But please don't knock any of the girls in these mags simply because the large majority of readers prefer any (or most) of them over Linsey. They are all beautiful and deserve 100% of our support.

One final comment concerning your article on LDM. No, she is not the greatest all-natural big-titter ever. She is one one them, but definitely not the greatest. Again, that's just my opinion.–D.W., Birmingham, England

MORE THREESOMES

Dear *SCORE*,

The spread you ran of Iva in the *SCORE Xtra* section of your Sept. '04 issue was hot! She seemed to have handled two cocks with no problem.

SCORE Big Boob Hall of Fame

TWELVE NOMINEES, ONLY THREE INDUCTEES. WHICH OF THESE BUSTY LEGENDS HAS THE RIGHT STUFF?

ANGEL EYES

Welcome to the 2004 Big-Boob Hall of Fame nomination ceremony. Six big-tit icons' busts reside in the Hall of Fame, and we're ready to induct three more. Will it be the exotic Angel Eyes? Boob Cruise mainstay Europe Dichan? The ultimate college-girl Carrie Lynn? Or the super-stacked Deena Duos? It would be hard to choose from among these four alone, but it gets harder, because we have eight more worthy nominees.

It's a shame that every woman who has ever taken off her bra for our cameras isn't in some kind of Hall of Fame, that's how highly we think of all the *SCORE*-girls. Still, the Big-Boob Hall of Fame is about honoring the best of the best, and three ladies who will no doubt be inducted at some time are on this spread. For Lisa Chest and Candy Cantaloupes, both of whom debuted in the first year of *SCORE's* existence (1992), induction is only a matter of time. Dixie Bubbles, on the other hand, was not a mega-stacked star among stars like Candy and Lisa, but she was consistently one of the most desirable dancers and models during her late '90s career, before retiring in 2002.

WENDY WHOPPERS

SAVANNAH STAXXX

Why the hell isn't L.A. Bust already in the Hall of Fame? Our first, and multiple, covergirl, L.A. launched *SCORE,* and if anybody deserves induction, it's L.A. Bust. Okay, sorry for editorializing. Here we have Wendy Whoppers… who was also on many *SCORE* covers in the '90s and, dammit, deserves to be in the Hall of Fame, too! Hey, we can't help ourselves. We could endorse pretty much every model, especially Savannah Staxxx, who wasn't a big-time covergirl, but is sure worthy of consideration with her awesome body and torpedo tits.

Looking at this page just emphasizes how prestigious induction in the Big-Boob Hall of Fame is. With only three of this year's 12 nominees gaining induction in 2004, it's quite likely legendary naturals and *SCORE* favorites like Cathy Patrick and Alexis Love will not make the cut. You wanna talk about a travesty? A Hall of Fame without Alexis, the ultimate mature woman, or Cathy, Ireland's super-natural legend, is like Cooperstown without Gehrig and Hornsby. It just ain't right.

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

THE CASSANDRA EFFECT

IS MIGHTY STRONG ON ANYBODY WHO LOVES BIG TITS!

We've worn out her wild fudge-packing video scene in *SCORE Xtra #7.* Ruined several copies of her sold-out Sept. '02 *SCORE* because of her nut-busting XXX threesome pictorial. Popped wood when she and Russian Kathy plugged each other's wet, tight pussies in *Bosom Buddies #4.* Jacked like boobjackers to her lezzie scenes with Ines Cudna and Kerry Marie in *On Location Costa Del Sol.* Drooled like a rabid Jack Russell terrier when she parted her pussy lips with a chick-stick in *Stacked & Packed #3.* And yet, because we're filthy bastards obsessed with the female form, we've somehow neglected to give the great Cassandra her proper due in Boob Beat since her debut in Nov. '01 *SCORE.*

In this first edition of 2005, we rectify that omission.

Who is Cassandra? What does she have to say? What does she want out of life? Let's go straight to the source and find out.

Favorite TV show: *Sex In The City.*
Favorite movies: *Dirty Dancing, Mask, Pearl Harbor.*
Favorite magazine: *Cosmopolitan.*
Favorite music group: Elton John and Simply Red.
Favorite perfume: Versace.
Favorite drink: Plain water.
Favorite food: Any kind of fruit.

Cassandra, what are your goals in life for the next few years?

I have done lot things in my life. In the next few years, I will give all my attention to the project of my life and that is my first website, Cassandra-on.net. It is a new and softer part of my career compared to how it was when I first started. I am no longer making hardcore pictures.

What are some of your favorite recreational activities?

Running, fitness and yoga. I believe it is very important to stay fit at a young age. When a woman gets older, it becomes much more difficult to keep her body healthy.

What is your favorite travel spot?

Any beautiful, exotic destination. I enjoy Hawaii and the Bahamas. Costa Del Sol in Spain, where we made the movie, was also very beautiful.

What do you like to do for fun or when you have a free day?

I like to buy shoes. It is my most expensive activity. I love to shop. When I have a free day, I love to sleep or just do nothing to clear my mind of stress.

What makes you happy in life?

A beautiful day with golden sunshine and clean, blue skies makes me happy. I am a nature girl at heart. It does not take a lot to make me happy.

How old were you when your breasts became big? Were you the bustiest girl in school? Did your schoolmates

VIX CLICKS WITH 7-11 PIX

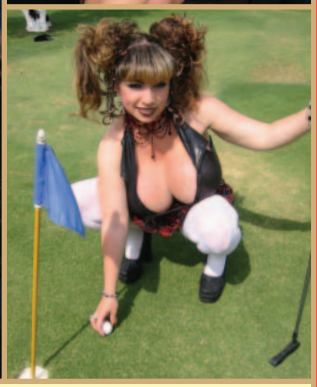
The SCORE Group thanks the incredibly stacked Vixen LaMoore for being our official spokesmodel during the two-day National Coalition of Associations of 7-11 Franchises in Palm Springs, California. Vixen's buoyant personality charmed everyone who visited our exhibit and she helped to make the show a great success.

Vixen signed hundreds of special *SCORE* publicity photos and copies of the Aug. '04 *SCORE,* which featured her latest "cowgirl" pictorial.

"Vixen has an absolutely great personality," said one of the *SCORE* distribution execs. "She was perfect for this convention. The attendees loved her."

And so did the hotel staffers the second she bounced up to the front desk. They even kept a load off her feet by lending Vixen a golf cart to zip around the property. Yes, if your 7-11 doesn't stock *SCORE* on its rack along with the chips, the dips and the ultra-mega-slurpees, have a heart-to-heart with the store managers. And if that doesn't work, we'll send Vix over in a golf cart to persuade them!

From busting out all over the place to putt-putt golf, Vixen LaMoore proved to be the consummate SCORE *spokesmodel in Palm Springs, California.*



SUPERNATURAL BOOBS

A 71-year-old seer in Bangkok, Thailand recently invited reporters to squeeze her 38-inch breasts to prove that they were filled with milk.

Pissamai Trapsukhorn of Bangkok is a fortune teller with what she describes as "supernatural" breasts. She reads her clients' future by studying the lines on the soles of their feet and she also encourages them to drink her breast milk. She claims to produce "power" milk that can ease pain, cure paralysis and ward off evil spells. She believes that she is a fallen angel who was cast out of heaven for having sex with another deity and was reborn into the world of mortals in order to redeem mankind's sins.

In other words, she's a fuckin' nut. But, a nut with milking boobs, so let's give her some measure of respect.

"I realized that I had supernatural breasts after I had my last child, at age 50 and I continued lactating. I sought the advice of a foreign master who I trusted, and he explained to me that I had supernatural breasts."

The fortune teller steeps the leaves of the sema plant in boiling water before adding her milk. She always performs a chanting ritual when she pumps the mam-juice out.

A doctor at Chulalongkorn Hospital said human mammary glands generally cease producing milk two or three years after childbirth and most women stop lactating altogether sometime in their 40s, so this is indeed a case for Titley's Believe it Or Not.

treat you any differently because of your breasts?

Yes, my breasts became big when I was 13 years old and they kept growing. I had a lot of problems trying to buy bras that fit me, especially since I was a tiny girl. A tiny girl with very big breasts. My schoolmates treated me great, but then there was a change at some point. They behaved differently towards me when guys came near us. I did not understand then. I do now.

Are you dominant or submissive?

I am both. I think I am sexually dominant with other women and submissive with men.

What kind of man impresses you?

It depends on the man. Every man is different and has his own qualities. I like a man to be nice, polite and a gentleman.

When you are out in public, do you dress to emphasis your breasts?

I wear conservative clothes when I go out. You can see how I dress in *On Location Costa Del Sol*, when we went into the city one night. I wore pants and a buttoned jacket over a blouse. It is not a man's idea of sexy. You would rather see me in a tight dress that shows my boobs. That I save for photos. When I'm posing, I like to dress to emphasis my breasts to make you guys happy.

Do you ever go to topless and nude beaches in Europe?

Yes, I am topless all the time at the beach, but you know, Europeans have a more relaxed attitude about nudity than Americans. We are more natural about this. Americans get very upset over some tiny breast exposed on television. In Europe, nudity is normal and the body is nothing to be ashamed of.

Are you a romantic woman?

I think I am. Of course my films in America never show this side of me. That was not what the producers wanted. Men do not buy adult videos to see romance.

What are your thoughts and feelings about the following SCORE-girls you

News Flash: A Polish study has revealed that large-breasted, narrow-waisted women like Ines Cudna have the highest reproductive potential. Yeah, like that was news to anybody!

BOOB SCIENCE IN POLAND

A new study conducted at the Jagiellonian University in Krakow, Poland has revealed that large-breasted, narrow-waisted women have the highest reproductive potential.

Voluptuous women have the highest levels of fertility hormones. Lead researcher Grazyna Jasienska, said women with a low waist-to-hip ratio and large breasts had about 30 percent higher levels of the female reproductive hormone estradiol than women with other combinations of body shapes.

One-hundred-and-nineteen Polish women aged between 24 and 37 and not taking any kind of hormonal contraception or medication were studied. Saliva samples taken from the women revealed that those with narrow waists and large breasts had on average 26 percent higher levels of the hormone 17-b-estradiol than women of other shapes. This waist-to-hips ratio also had a strong effect on levels of another female hormone, progesterone. Jasienska said that higher progesterone levels should theoretically translate to increased fertility. Yet, large breast size was not significantly related to increased progesterone. A universal feature in psychological studies of men is a male preference for a low waist-to-hips ratio. Those women with a narrow waist and big bust are significantly more fertile than others, say the scientists.

The Polish team worked with colleagues from Norway and Harvard University in Boston for this study, but no one telephoned us.

Professor Peter Ellison of Harvard University in Boston said, "In Western societies, the cultural icon of Barbie as a symbol of female beauty seems to have some biological grounding. Physical characteristics, such as breast size and waist-to-hip ratio, function as important features used by human males to assess female attractiveness and desirability."

Hell, we could have told the scientists that. All they had to do was drop by the *SCORE* building.

have modeled with, starting with Ines Cudna?

Ines is a beautiful Polish girl. She is so beautiful, she could be a cosmetics model! She is a very soft girl who needs to be treated well. Touching her all over gave me a lot of pleasure because her skin is so beautiful. She knows a lot about erotic pleasure for a young girl and she really enjoys girls. It is not acting when she makes love to a woman on camera, believe me.

Nicole Peters?

Nicole was very new when I met her. She was very quiet and not experienced in anything. She was shy and timid. Nicole is young and has time to mature and become more experienced. Her breasts are so big! I do not think she could ever make the kind of films I have made. I enjoyed playing her teacher and maybe one day I can model with her again. I would like that.

Kerry Marie has said about you: "Cassandra is lovely. She's a really nice girl, and she genuinely is as nice as she seems. And she really helped me when I was doing my scenes in* Costa Del Sol. *She's done lots of girl-girl, so she was kind of leading me." What are your feelings about her?

Kerry Marie is very sweet. She is one of the nicest girls I have met. I enjoyed playing with her very big breasts by the pool. I showed her how to use dildos correctly and how to pose the right way using toys. My pussy was so excited when we shared the big dildo inside of us and our bodies were oily and wet together. I had a strong orgasm with her.

And Russian Kathy?

She is a real lesbian. She loves women. That you can see, but, if you are not sure, watch our movie *Bosom Buddies #4* again.

What's next for Cassandra?

I have just returned from London, England. I went to the *SCORE* studio there to model again, so I hope to be in your magazine this year with some sexy, new pictures!

WHAT KIND OF WOMAN READS SCORE? THANK GOD SHE'S FRIDAY!

A horny woman like Friday of *SCORE Xtra #6,* that's who! Our roving photographer Mario snapped a gracious Friday during her feature shows at the Booby Trap Club, 2840 Hammondville Road, Pompano Beach, Florida (954) 973-6888. We suspect he also got a lap dance or two but we can't prove it. Who could say no to Friday? Visit the Booby Trap when in town for that family cruise. They have a good track record for booking *SCORE* features. Crystal Gunns recently performed at Booby and we have the pictures to prove it in an upcoming issue.

WHY DO BLONDES WANT BIG TITS?

So men will treat them seriously.

After fucking a blonde, a guy goes into the kitchen and pours a glass of milk. His cock is still smoking hot from fucking, so he sticks it in the milk to cool it off. The blonde walks in on him and says, with all the intelligence she can muster, "I always wondered how guys refilled those."

Psychologists at Bremen University in Germany say blondes really are more stupid after hearing dumb blonde jokes and that blonde jokes make blondes perform poorly in tests.

Jens Foerster said: "We found people tended to perform poorly when less was expected of them and that jokes about stupid blondes were self-fulfilling."

The researchers tested 80 students at Bremen University, 40 of them blonde. The scientists then presented the blondes with a negative stereotype about dumb blondes before they took the test. The blondes that were told that blondes were dumb performed worse than the others. The scientists want to examine how these negative stereotypes affect school performance and devise ways to counteract effects of the dumb blonde stereotype.

For starters, they should study Paris Hilton and Nicole Ritchie.

And, that my *SCORE*-boys, is all I can write this month, what with all of those extra pages in this issue, and that fresh supply of lube that's sitting on my desk...duty calls. See ya in February.

CHRISTINE ALLURE

HER #1 PASTIME IS BEING A *SCORE*-GIRL!

Hey, no pictorials of the Newcomers? Not this year. We figured we'd give you guys the best of both worlds…Awards stuff and babes like Christine Allure. So far, it's looking like a good change of pace.

CHECK LIST CHRISTINE ALLURE

BIRTHDAY: December 14th **HEIGHT:** 5'6" **WEIGHT:** 140 lbs. **MEASUREMENTS:** 40-26-36
BRA SIZE: 34H **BORN, RAISED AND LIVES:** California **WEBSITE AND FAN CLUB:** www.ChristineAllure.com
PREVIOUS *SCORE* APPEARANCES: Oct. '04 (XXX-Rated threesome with Chantz Fortune), Dec. '03, April '03 (XXX)
VIDEO: *SCORE Xtra #11* (XXX-Rated, coming soon)

Ya gotta love a gal with big tits and a great backside, and Christine definitely scores big points in both areas. Toss in those round, saucer-sized areolae and a beautiful face that is no stranger to the cum-facial, and Christine Allure is, well, alluring. She also digs snacking on the carpet, as we all saw in the Oct. '04 *SCORE* when Christine and Chantz Fortune went muff-to-mouth, then double-teamed a monster cock, a layout widely regarded by readers as one of the hottest hardcore pictorials of 2004.

What do we love the most about Christine? Personal, private things that, ahh, what the fuck, we'll share with you guys, being brothers of the fist and all. First-off, if you're getting the impression that Christine Allure is super-horny, give yourself a good pat 'cause you're a great judge of character. Not only has she done XXX twice in *SCORE Xtra,* but in our new DVD *SCORE Xtra #11,* Christine plays a private detective who exposes married men who cheat. She proves they cheat by fucking them, then collecting their semen samples on her tits. If this sounds better than *CSI,* you're fuckin' A-right! Want another pearl about the Alluring one? Christine digs guys' forearms. That's right, out of all the bodyparts that could attract her to a man, she digs guys with big, muscular, well-defined forearms. Hmmm…Anybody know a good exercise to tone the forearm? Keep stroking, boys, and if you're ever in Vegas at one of the conventions she frequents and you see her, don't be shy. Flex your muscles and tell Christine you got them by jacking to her photos and she'll love ya. That's the kind of *SCORE*-girl she is!

JANUARY 2004

What a way to start off the New Year! Not only was the Jan. '04 *SCORE* loaded with three potential Models of the Year, but when we first saw Harmony Sweet, we were hard in seconds. All-natural and totally horny, not only did Harmony debut in 2004 solo, she also came back with hardcore in *SCORE Xtra #10*, making her a bonerfide contender for 2004's Top Newcomer title. Unless Denise Derringer or Goldie take it away from her. Both certainly have the right stuff, but, and, here was the best part about the Jan. PIN-UP

EVERY READER HAS HIS FAVORITE *SCORE*-GIRL, ONLY THIS GUY'S WAS GOING TO MAKE ALL OF HIS DREAMS CUM TRUE!

EROTIC FICTION BY RADAN MAX

The first time I saw Ines Cudna, I knew there was something special about her. So when I received my Ines Cudna 2004 calendar in the Jan. '04 *SCORE,* I feasted on the issue like a horny 18 year old. I liked one picture in particular, the one for July 2004. The gleam in her eye told me a lot about the woman within her gorgeous body. She loved life. She had a wild side. And she would make the most energetic, enthusiastic lover a man could possibly imagine. All this, from a little sparkle that lit up the darkness of my lonely room like magic.

So I did something a bit obsessive. I took that month's picture down to the local copying center and had a life-size poster made. It was one of those impulsive, didn't-even-give-it a-second-thought decisions. So before I could get embarrassed or wonder what I was going to do with a five-foot-four pin-up, there she was in all her beauty. Mine to keep.

About eight months ago I lost my job. It took two months for my live-in girlfriend to abandon the idea of being supportive, and since she moved out, I haven't scored a single overnight date–not even a little afternoon delight. It's not that I'm bad looking, but I'm no Brad Pit–just an average Joe, trying desperately to earn a living writing marketing campaigns and advertisements.

So, with no one to complain about my decor, I mounted Ines on the full-length mirror across from my bed. It was a perfect spot to drink in her beauty while relieving myself. It's definitely hard times when you look forward to jacking off at the end of the day, but my life had boiled down to exactly that.

Looking at Ines' curvaceous body was indeed a pleasure. She had what one would call bodacious ta-ta's. *SCORE* really knows how to pick their models. They must have some kind of hourglass test, because the word voluptuous was invented to describe this beautiful blonde. "God, I wish I had a woman like this," I said out loud.

I could swear Ines winked at me. Figuring I was dehydrated, I took a break and had my first beer. A second followed, and by the time I shot my wad, a third beer was beginning to sugarcoat my pathetic circumstances and make life with a two dimensional Ines look pretty damn fine.

That's when it happened. Only at the time, I figured I'd fallen asleep and she was a dream. There was Ines in her 34EE-24-34 birthday suit, leaning over me, the soft feel of her mammoth tits brushing my lips. Instinctively, I began to grope those beauties, my cock coming alive instantly. She moaned and pressed her pussy against me, doing a bump and grind that sent me spiraling over the edge. I shot my load inside of her, feeling instantly guilty–you know the whole "protection thing"–until I realized this had to be a dream. Here I was feeling worried about getting my dream-girl pregnant!

I started to get up, but Ines pulled me back. Her need seemed really urgent as she shoved my head down between her legs. I began to lick her pussy. She tasted like a sweet concord wine. Holding her curvy hips in my hands, I ground my face into her fragrant cunt like a hungry kid eating watermelon on a hot summer's day. And she rocked and thrashed like a water moccasin wriggling on a fishing line, screaming my name and pulling my hair something awful as she came.

Drenched with sweat, I flopped over next to her, running my hands over her throbbing breasts.

"Eric, that is the best damn tonguing I've ever had." She snuggled closer and nibbled at my earlobe, then planted her ruby red lips against mine in a kiss of warmth and gratitude.

Truth be told, I hadn't been feeling terribly well lately. Absolutely nothing seemed to get rid of the migraines and occasionally I felt really nauseous. It occurred to me that perhaps I had died and gone to heaven.

As if reading my mind, Ines laid her beautiful blond head on my chest and whispered, "I'm the one in heaven."

Exhausted, I soon fell asleep, and dreamt about a life filled with loving Ines. Walks on the beach at sunset, skiing on the bunny slope only to retire next to a wood burning fire. I envisioned autumn hikes in New England and finally, a formal spring wedding, with Ines walking down the aisle toward me looking like an angel.

"They stared at me first!"

I woke the next morning to Ines staring back at me from the full-length mirror. "Good morning, Angel," I said. "Now, if I could only teach you to make coffee and clean house, I'd really have it made."

As I started the coffee and poured myself an orange juice, I thought about my ex-girlfriend. She was pretty, in a girl-next-door kind of way. Brown hair, dark eyes, and a serviceable figure with small, peach-sized breasts. Nothing to write home to mother about. Certainly, no comparison to my wild and crazy fantasies last night. What the hell was in that beer, anyway?

A hot shower found me ready for another day of pounding the pave-

AREOLAE TO DIE FOR!

Yes, boys, we have some big-time target practice for you this month with our latest *Busty Island Girl.* Mariel is her name, she's currently unemployed, but looking for work as a nurse's aid, and blah, blah, blah. Sorry, Mariel, we'd love to know all about you, but right now we're kinda fixated on those round, dark, lovey-bumpy bulls-eyes you're sporting. The size of pancakes. For once the metaphor fits perfectly…This really is the International House of Pancake-sized Areolae! Who's got the syrup?

Saholy

FEBRUARY 2004 Unlike past years, where we culled the entire crop of newcomers to come up with a select dozen, this year we're presenting every new model who debuted in 2004, primarily because practically every freshman received so many accolades from readers. Saholy, for example, isn't packing the biggest bust, but she was so horny in both her Feb. '04 debut and *SCORE Xtra #10* XXX debut, taking thick cock in her tight ass, she deserves recognition. Ditto for Lori Pleasure. Melanie, on the other hand, didn't do hardcore, but you can't ignore her thumb-like nips–some of the best we've ever seen. As for Veronika, based on your letters, we expect her to do well in this year's contest. With a body to die for and great XXX performances (*Busty Euro Maids* and *Linsey Dawn McKenzie: Maximum Insertion*), Veronika is fast emerging as one of 2004's legitimate superstars with the potential for greatness.

THE MOST HIGHLY DECORATED BUSTY BABE OF ALL-TIME.

With all due respect to Julia Miles, who is the only other winner of both *SCORE's* Newcomer and Model of the Year contests, nobody has more big-tit awards than Sharday, who also has two *Voluptuous* Model of the Year Awards to her credit, and already has her bust reserved in the Big-Boob Hall of Fame.

Not only did Sharday dominate *SCORE's* Model of the Year Contest in 2002, she did the same to *Voluptuous'* contest for two years in a row, winning our sister-magazine's top title in 2001 *and* 2002. Sharday was close to winning in 2003, but she finished second to Julia Miles by a measley 40 votes in last year's Model of the Year Contest. When you consider that we had a record turnout in 2003 (14,951 votes), that's about one-third of one percent of all the votes. And we're sure there were a bunch of you guys out there thinking, "Why vote? Sharday's gonna win easy." See what happens when apathy sets in? Don't make that mistake this year, guys. Regardless of which *SCORE*-girl you consider the best, turn to page 66 and exercise your civic duty.

SHARDAY

AGE: 21 **BIRTHDAY:** May 15, 1983 **HEIGHT:** 5'4" **WEIGHT:** 140 lbs.
MEASUREMENTS: 42-28-38 **BRA SIZE:** 36DDD **LIVES:** Dallas, Texas
PREVIOUS *SCORE* APPEARANCES: March '04, Sept. '03, May '03, Holiday '02, May '02, Nov. '01 (debut pictorial)
HONORS AND AWARDS: *SCORE's* 2002 Model of the Year, *SCORE's* 2001 Newcomer of the Year, two-time winner of *Voluptuous'* Model of the Year (2001-2002)

When you turn this page, you're going to see the remaining contestants for this year's Model of the Year Contest. Why'd we give Sharday preferential treatment with her own eight-page pictorial? Hey, when you win four titles in this decade alone, you get the perks that other girls don't. Still, 2004's contest is going to be a big-boob battle for the ages. Not only do we have 2003's Model of the Year, Julia Miles, ready to defend her crown, but Ines, Linsey, Nicole and nine other great ones all worthy of winning. Will any of them top Sharday? We'd wager on her making it three Model of the Year titles, but who the hell would bet against her?

THE GREATEST COLLECTION OF BUSTY BABES EVER ASSEMBLED VIE FOR THE ULTIMATE PRIZE.

When you guys take a good look at this special 10-page presentation, you'll know why we're going out on a limb and saying this may be the most competitive *SCORE* contest of all-time. With 12 great ones, including past Model of the Year and Newcomer of the Year winners, plus some superstar porn performers, 2004's Model of the Year Contest is stacked, to say the least. Sharday got us started on page 48, and here we have 2003's Model of the Year, Germany's Julia Miles, along with 2002's Top Newcomer, All-American entertainer Crystal Gunns. Both of these reader-favorites could easily win this year's title and *SCORE*-men around the world would celebrate with the customary phrase, "Oh yeah, that girl deserves it. She's a great one!" But there can be only one winner, and who she is depends on...you.

OF THE YEAR
2004
CONTEST

Consider these four models the "dark horses" of this year's contest. Not because of lack of stature, but because these ladies were included in 2004's main event for performance over reputation. Our hardcore performers of the year, Sara, Iva and Marketa, not only took some major dick in the pages of *SCORE Xtra,* but they were so outstanding on video, that this trio gained entry into the 2004 Model of the Year contest the old fashioned way… they earned it! And, if there is a nostalgic vote to be had, chances are Danni Ashe will get it. It had been years since *SCORE*-men had seen their favorite piece of Ashe, and when they did in the Feb. '04 *SCORE*, they fell in love with Danni all over again.

We're just now tabulating the votes for Nov. '04's "Battle of Britain," an impromptu contest between Nicole Peters and Linsey Dawn McKenzie to see who rules the British Empire. And now, these two super-naturals get to do it all over again. In spite of the consensus that she is one of the greatest naturals of all-time, Linsey has never won... anything. Whereas Nicole basically lapped the competition to win both *SCORE* and *Voluptuous* 2003 Newcomer of the Year Awards. Will Nicole continue her momentum and blow the competition away in The Big Show? Will Linsey finally take home a title? Will they both be bridesmaids? The answers to these questions and many more will be in the June '05 *SCORE*.

BRANDY TALORE

And here come our girls-next-door, and you couldn't have two more disparate babes. All-American Brandy Talore loves dildos and cock, in print and video. Nadine Jansen, who is fast gaining recognition as the greatest German of all time, is introverted, doesn't do video, and rarely shows pubic hair, much less pink. Brandy has gained steam during the course of this year, making her a strong contender for the title. As for Nadine, she has some of the best tits ever and a 2000 Newcomer of the Year crown, so a Model of the Year title seems inevitable–if not this year, surely at some point in her career.

One aspect of 2004's contest that is different than years past is that we have attempted to make the Model of the Year title less of a popularity contest and more of an award for accomplishment. And nobody did more in 2004 than Ines Cudna. If you have her 32-page Jan. '04 calendar, you've been sharing every day with the perfect Polish princess, and there have been four more *SCORE* appearances starring Ines during the year. SaRenna had two *SCORE* pictorials in 2004, including a special "Best Of" pictorial in the Holiday '04 issue. Plus, she's as popular as they come, a lock to be in the Hall of Fame one day, and she's SaRenna, which is good enough in most boob-lovers' books, including ours. Now, we highly recommend you guys go back over the these 13 superstars, break out your 2004 back issues (or get the ones you're missing), and take your time to decide who 2004's Model of the Year is. Carmen

MARCH & APRIL 2004

During the spring of 2004, admittedly, we didn't present many busty babes who will wind up in the Big-Boob Hall of Fame. We did unveil several quality newcomers that guys raved about, especially Darby, Dolly and Lenka. But the only girl from these two months who, in all honesty, has the goods to contend for 2004's Newcomer of the Year title is Carmen. With her XXX debut on *Hard SCORE* and another porking on *Black & Stacked Xtra #3*, Carmen quickly established herself as one of the best fucks of the year. Toss in her great rack, pretty face and hourglass figure, and we're talking about a great one in the making. Still, the beauty of *SCORE* is that not all of the women have to be great ones. Big tits and a willingness to show them off is good enough for us. Based on your letters, basically deifying all of these women, it's good enough for you, *SCORE*-men, too!

SOME OF THE FLOPPIEST, SPONGIEST, ALL-NATURAL TITTIES WE'VE EVER FELT.

Yep, working at *SCORE* has its perks, and here come two big ones. They belong to Africa, but she doesn't mind sharing, and not just with the long-donged porn studs you see her getting porked by in movies like *Black & Stacked Xtra #3*. Nah, Africa digs hanging with us regular-guy types. And, being the great gal that she is, during her last visit to *SCORE*, she spread the wealth.

Our one shining moment in an otherwise normal 40-hour work week came right after Africa shot her threesome with Cassitty and Mr. Flesh-N-Blood Dildo. She and Cassitty were walking outside to smoke their "I-just-came-five-times-and-need-a-smoke" after-sex cig and she tapped our editor on the shoulders like a football player getting ready for a game. As it turned out, Africa has a thing for broad shoulders, and our editor has a thing for big tits, so since she touched his, Africa offered to let him touch hers. Then Cassitty flashed our bookkeeper, who is so busy counting those beans he never sees the chicks. Africa joined in and, well, if we had a camera nearby, you would have got-ten the picture. Just a personal, SCORE Group anecdote that illustrates two things: Africa is one helluva great gal. And, two, if we've said it once, we've meant it more than a thousand times…This is a tough job, but somebody's gotta do it!

MAY & JUNE 2004

With everybody geared up for the 2003 *SCORE* Awards, which were presented in the May '04 *SCORE*, a couple of newcomers stole the show. England's Kellie Garnett, a *SCORE* reader who lived out her fantasy by showing off her all-natural floppers, and mature, 40-something Deauxma both debuted in that May '04 issue, causing readers to demand more. We delivered videos for both girls, Kellie in the chick-stick stuffing *Stacked & Packed #6*, and Deauxma in the XXX *Hard SCORE #2*. Milly and Vanessa Blue were the featured newcomers in the June '04 issue, tantalizing readers in opposite ways. Where Milly possessed an elegant, Euro-girl sensuality, Vanessa Blue was in-your-face, All-American horniness, and it showed on her video debut. In the hardcore *Black & Stacked Xtra #3*, she mouthed off with arguably the greatest display of cocksucking we've ever seen.

ment. Maybe if I found a job, I could afford a real-life girlfriend instead of a paper cut-out. I was feeling a tad embarrassed over my behavior–sort of like getting caught with your pants down on top of a blow-up doll.

Eight hours later I returned home, exhausted and wishing for a beautiful, naked blonde standing at the door with a ready kiss and a stiff Manhattan. Since that wasn't going to happen, I settled for one of my psychedelically enhanced beers and a Banquet frozen dinner. While waiting for the Salisbury Steak, I took a few moments to ogle Ines. Every bit as beautiful as I left her, she seemed to be waiting for me.

"Darling, I'm home," I said with a smile and open arms.

Instantly and without any surreal, psychedelic stuff happening, Ines stepped out of the poster and moved swiftly into my arms. Warm breath touched my cheek. The next moment her tongue snaked between my lips as her hand pumped my cock with the delicious promise of more to cum.

I looked around. No men in white coats–just me and the most beautiful woman I'd ever seen. Was I losing it? A few of my friends said they were 'worried' about me and even recommended I take vitamins to increase memory function. Apparently, I had forgotten two or three card games in a row, but with Ines waiting for me at home, what guy in his right mind would want to get together with the boys?

Crazy or not, fantasizing or not, I couldn't resist Ines' lure. I soon found myself pleasuring my imaginary fuck-buddy. I loved listening to her sigh and moan. Now, in the light, I noticed how pink and moist her slit was.

"You like?" she asked, noticing my interest in her shaved pussy.

To be honest, no I didn't. I've only had one girlfriend who shaved, and I didn't like the razor stubble, which I figured would appear in a day or two. I was honest. "Not really. I find pubic hair really sexy."

A small triangular patch of soft, blond curls magically appeared. I decided to pretend Ines wasn't lying temptingly in my bed. Rescuing the T.V. dinner, I downed a few aspirin

SHE LOVES BIG TITS SO MUCH, WE MADE HER AN HONORARY *SCORE*-MAN!

Now, don't read too much into that, boys. The only place Julian Spencer is packing is in the boob department. But, when a gal has watched more porn than all of our editors put together (and that's a lot of porn) and done more girls than most of them put together…And, in keeping with our awards theme, we oughta give Julian her own award for being just like us!

We last saw Julian in the…damn, has it been that long?…March '03 issue of *SCORE,* and not much has changed in this Midwest feature dancer's life in a year and a half. She's still dancing, doing as many girls as she can, watching even more girl-girl videos, drinking her Coors Light, watching football…you know, basically the same stuff we all try to do.

She's no stranger to a dildo, and if you still have your March '03 back issue safely wrapped in plastic and feel like some good toilet reading, you can find out all about Julian's Cyberskin dildo, or how she likes a guy to make love to her and how she can't live without men, but she would jump off a bridge into a bay of frenzied white sharks if she couldn't have sex with women any more. Hey, it's Julian's passion, and seeing that most all of us reading this and jacking to Julian's pictures have the same passion, atta girl Julian, honorary *SCORE*-man. Only, how many of you guys have your own dildo-stuffing video? Not many, eh? Well, that "honorary" title does set Julian apart from the rest of us, as does her *Busty Dildo Lovers #3* video and her big, DD titties, and her succulent snatch and hourglass figure and pretty face and...What do you say, guys? Still want to let Julian join our boys' club? That's what we thought. Next time, Julian, don't wait so long between meetings, okay?

with my food before braving the other room to find Ines crying.

"What's wrong?" I asked, unable to keep up the pretense that I didn't see, hear, taste, smell and feel her.

"You don't think I'm real."

"Well, you're not. I mean, you're real, somewhere out there, but you're definitely not here in my bed making love to me. This is just some wild fantasy."

Within seconds, Ines was proving to me that wasn't the case. Gobbling my dick between those gorgeous lips of hers, she gave me a blow job I'll never forget. By the time I shot my jism into her mouth, I was half-hysterical. Crying, whimpering, scared to death I was losing my mind. "What do you want from me?" I begged.

"A woman," Ines said. "Bring home a woman. Someone you like."

Apparently, Ines had a slightly skewed perspective of my track record. Enticing young lovelies up to my bed for hot, passionate sex wasn't an everyday occurrence. Hell, it wasn't even an every month occurrence. Yet there was something about her request that made me want to honor it. I went out to a small bar down the street named Jake's. It's mostly a pool hall, but occasionally it attracts its share of pretty girls.

Nearly an hour went by before I met one that would give me the time of day. Her name was Ann, and while she paled in comparison to Ines, she wasn't half bad–short cropped red hair, amazing brown eyes and a nicely rounded body. It took me three drinks to get her interested, but once I did, it was obvious we'd end up in the sack.

Back at my place, Ann was in my bedroom ready for a night of hot sex. No pretenses or foreplay needed. But, before I could pull my dick out of my pants, Ann had undergone a startling transformation. Her boobs began growing right before my eyes. Her short hair lengthened, flowing over her shoulders like spun gold. Even her brown eyes changed to a sparkling blue.

Ann remained totally unaware of her amazing metamorphosis, but my divining rod had already scouted out its final destination and was making its move. Before I could marvel at my change in fortune, I was in the tightest, warmest pussy my cock had ever had

the pleasure of being introduced to. Needless to say, I left Ann breathless and eager for more. She retained her flush of beauty until she stepped across the threshold of my door.

The next day, I awoke to the delicious aroma of brewing coffee. Ines, wearing only one of my undershirts with nothing underneath, hummed while making my breakfast.

Okay, time to lay off the booze. Maybe even time to get a physical and check for brain tumors because I know I'm not crazy. Ines is the only abnormal thing happening in my life. Still, when she drapes her curves on my lap and gives me a deep, good morning kiss, I can't help but wish this dream would last forever.

Things pretty much continued on this way, minus the beers, but including a medical check up that consisted of a CT Scan and an MRI. I landed a job at a fairly successful advertising agency, thereby reducing a good deal of the financial stress I'd been feeling. My new boss was a spry, old man who knew how to delegate and enjoy the perks of staying mentally active in a business he loved without stressing out. Slowly, we began to become pretty close friends. Life was good.

Ines remained faithfully by my side. In fact I'd bought up every back issue of *SCORE* containing pictures of Ines that I could find and had erected an absolute shrine to her in my bedroom. I soon found that all I had to do was wish for some change in our relationship and it happened. I even took a renewed interest in grocery shopping now that making my favorite meals included romantic candlelight dinners with Ines. Stepford wives move over…I had a woman who didn't talk when I was trying to watch T.V. or sleep, loved to make wild love, didn't shop and spend my money and actually encouraged me to sleep with other women. Life just doesn't get any better than this.

Whenever I brought another woman home, the moment the young lady got into my bed, she would become Ines. It no longer mattered if they were fat or ugly or stupid. Strip off their clothes, put them in my bed and they became Ines–beautiful, sensual Ines.

Then I met Marcy.

She was an adorable, energetic, petite thing. I figured her to be about

18, but found she was a few years older then she looked. She'd been around some, enjoyed sex the way most people enjoy Starbucks, and she wasn't terribly reluctant to make the first move. I had noticed her my first day on the job. I couldn't help it. Her features were somewhat exotic–oriental perhaps, and her skin was a deep, coffee brown.

Marcy asked me to a Giants game, but afterwards she suggested we go to my place. She promised to whip me up a special dinner but we never got around to food. Naked, Marcy was stunning, perfectly proportioned, with upturned breasts topped with large, nut-like nipples. I learned Marcy was part African American and part Vietnamese. Because we began our carnal adventures in the kitchen, I actually had a chance to explore her lovely young body before the inevitable possession took place between the sheets.

Her taste was different and her scent was potent and musky, seeping erotically from between her sexy legs. Marcy pushed me down on the kitchen table and unfastened my belt and fly. She pulled out the master, slipping my erect dick between her lips and tonguing me like there was no tomorrow.

In less than five minutes, I was ready to cum, but I wanted to hold out. For the first time in weeks, I didn't want to haul Marcy into the bedroom. I wanted to experience her unique charms, taste the sweet, rich cream of her cunt, and hear her throaty, deep growls of pleasure. So we did it on the tile. Primal, like wild animals in the forest, we went at each other. I dove between her legs, licking the dark brown knob of her clit as the musky scent of her pubic hair tickled my nose. Marcy wasn't into shaving, and I loved the soft, curly locks of her pussy almost as much as the deep chocolaty folds inside.

Marcy screamed as she climaxed. She barely lost a moment before throwing me on my back and mounting my hard-on. She rode me like an untamed stallion, working my dick inside her tight, squeeze box and sending thrills of pleasure riveting through me.

We must have done it three more times before I found myself in bed, holding my beautiful dark-haired lover.

GUESS WHERE THIS NEW SEXPOT IS FROM?

If you guessed Prague in the Czech Republic, well, you're up on current events in Big-Tit-Dom. Yep, we've been seeing so much sexy, busty talent from the Czech Republic, we'd probably have a heart attack out of sheer shock if a month went by *without* a new Prague model. We ask you, though…Is anybody out there really complaining?

You guys noticing that all of these Czech Republic girls have a lot of things in common? Most are blonde, with D- to E-cups and runway-model bodies. Plus, they're all drop-dead gorgeous. And they're all pretty much under 30 and single, which means if they came over to America, you *SCORE*-guys would be in the running for some first-date sex and perhaps that death-do-you-part thing. Or, does that just describe our Czech-Mate of the Month, Milly? Either way, you can't go wrong.

She's a regular type working Czech girl, which means she has a retail sales job like a lot of American girls, but unlike some gal in Idaho, Milly models as much as possible. Milly told us she has a dream to one day come to America and meet a nice American man without getting lost in translation. Eventually, she'd love to live in New York City and be like Sarah Jessica Parker. Yes, Milly loves her satellite dish and her Manolo Blahniks (expensive ass shoes!), but she's pretty with big tits, so she can love whatever she wants as far as we're concerned.

AUGUST & SEPTEMBER 2004

With two special issues to close out summer, we didn't exactly overwhelm guys with fresh talent. Still, with the Aug. '04 All-American issue and a line-up of superstar Yanks that got the whole world wanking, we managed to showcase Miss Nude Universe, Mercedez, with a rock-hard cunt-buster and Shauna Banks doing the same. The following month, we had only one newcomer, Denmark's Ida, but to be honest guys, that's all we had room for. Our annual All-Natural spectacular, Sept. '04 was so freaking loaded with talent and absolutely perfect tits–from covergirl Nadine Jansen to Nicole Peters to Ines Cudna to Linsey to Cassandra–long-time readers are already hailing the Sept. The only girl from Afghanistan to ever grace the pages of *SCORE*, this is Ariana's eighth appearance. She has been a reader favorite ever since her Boob Cruise 2000 cumming out party. A Cruise virgin on that Y2K slice of heaven, Ariana started partying the first night and never stopped, even after the Cruise ended. One of your boob-brethren sat courtside with Ariana during a Lakers playoff game in 2001, another reader took her to Hawaii for a week of hedonism, and another…the list of reader/Ariana adventures goes on and on for this ultimate *SCORE* party-girl.

Now, Ariana has slowed down, settling into a quiet life in Southern California. She doesn't dance any more, and she has already told us there will be no more posing after these final pictures. Has the ultimate party-girl done a Harriet and found her Ozzie? Ariana isn't telling, and out of respect to one of our favorite *SCORE*-girls, we're not pushing. True, we'll keep asking her to pose, but even if she doesn't, we'd like to wish Ariana the best. Although it has been said often, at no time is it more appropriate, especially from us Boob Cruise 2000 guys who know her like few do…Ariana, thanks for the…memories.

Toss in Keisha, Harmony, Carmen and Denise, and this fresh-man class is looking stronger and stronger. True, Kelly never took off her panties during her Oct. Everything was fine until Marcy got up to pee. She stopped in front of the pin-up. "What's this?" she asked, looking around at the hundred or so pictures of Ines decorating my walls.

"Bachelor decor," I said, somewhat sheepishly and a bit embarrassed.

"Ines Cudna? Did you meet her or something?" Marcy said, with an incredulous, woman-scorned look.

"Something like that."

Marcy shrugged, obviously annoyed that the pin-up looked nothing like her. Some women get a little insecure if they think they're 'not your type.' In my months with Ines, I'd forgotten what having a real woman in your life was like–hormonal peaks and valleys, tears when you least expect them, flashes of irritation, sensitivity and anger.

Marcy slammed the bathroom door. When she finally came out I knew I was in trouble.

She had somehow managed to pick up her scattered clothes and was completely dressed.

All my attempts to coax her back to bed failed miserably. How could I convince her that she was the woman I wanted? That Ines was merely a figment of my imagination?

"Come on, stay. It's just a picture. In the morning you'll laugh about this."

That's when I saw the very real tears in her eyes and it hit me–Marcy was a real woman, one I couldn't mold to my every wish and whim–a woman with needs and feelings. But the epiphany had hit too late. By the time I blinked, Marcy was out the door, slamming it behind her.

The next day at the office, I left a bouquet of roses on Marcy's desk with a note. A few of her friends giggled and whispered behind my back. When I finally ran into her, she was pissed, but at least controlled.

"Can we talk about this?" I asked. "I really want to see you again."

"Look, Eric. I'm obviously not what you're looking for. In fact, I'm about as far from *your* ideal woman as you can possibly get."

"Would you blame a guy for having someone else in his life before he met you?" I asked. "Would it bother you if she was fat or tall or blond? No. The

THE MILK WOMAN CUMETH!

Two years ago, Karen Fisher was basically lactating all over the pages. *SCORE*-men had to wear goggles to avoid taking a shot to the eye, there was so much milk. Now, two years later, and Karen's still milking. Another baby? No, Karen's been lactating for two years and says she can go on forever. And there's the milk shot that has made Karen an internet sinsation. Stuffing big dildos and hard cock in her pussy doesn't hurt either, nor does eating pussy on camera, but Karen's real claim-to-fame is that she's got milk and isn't afraid to spray it, hence her web moniker of "Hot Lactating Amateur." Amateur? The way Karen goes at it, she sure looks like a pro to us!

So, aside from doing the dairy-thing, what else is Karen into? More than we can tell you here, but we'll try. Karen is very bi-sexual, single (and loving it!), also loves rafting, hiking, jet skiing, dancing, masturbating, good massages (and even some bad ones), missionary with her legs up high, deep, wet kisses, guys who can tell original (and funny) jokes, first-date sex with strangers, working out when she isn't masturbating, and most importantly, a big pair of tits! Two dark horses who could pose a challenge to their super-busty peers came from these last two issues of 2004. There's some magic in those headlights and that sexy face. Will it be enough? Or, will a former *Penthouse* Pet of the Year like Andi Sue or a slim-n-stacked mainstream model turned adult temptress like Johanna pull the upset? And, for those of you thinking Kelly Kay or Keisha Evans has this puppy all sewn up, we remember thinking Linsey would win by a landslide in our first-ever Newcomer contest (1996). fact is, a guy can't be held accountable for something or someone he did before he knew you existed."

She was listening. Maybe even softening. I saw her glance at the roses. Then she looked into my eyes, apparently trying to gauge my sincerity.

"Look, the pictures are down," I lied. "Wouldn't you be even more insulted if my last lover looked exactly like you? Or if I only dated gorgeous, petite brunettes with amazing eyes? I think that would make me pretty shallow, if I only wanted to date you because you fit my perfect type. You're amazing, Marcy. I certainly don't intend to give you up for a bunch of pictures."

Marcy smiled. Apparently for once in my life I'd said all the right things. What's more, they were true. Marcy was special. And while Ines might be the most marvelous creature to ever walk the earth, her domain began and ended in my dreams.

"You promise you took the pictures down?" Marcy asked, with a smile.

"Scouts honor," I said. That made her giggle. A boy scout I'm not.

"And no more calling me Ines while we're making love."

I'd called her Ines? Shit. What an asshole. No wonder she got pissed and ran out on me. "I promise. I'll even make it up to you by taking you to Cartier's tonight." At the name of the most expensive restaurant in five counties, a cacophony of murmurings worth 10 times the roses went up amongst Marcy's friends.

"Okay," she said. "It's a date."

I kissed her chastely on the cheek as we set the time. Then I barricaded myself in my office with plenty of coffee. Apparently I hadn't wanted Marcy to become Ines. Okay, some habits are hard to break and when I'd dozed off, I'd called out Ines' name. Over the last few difficult months, Ines had become my comfort zone, a sanctuary of sorts. That was understandable, but it had to stop. I decided to take the rest of the day off to get my head straight.

An hour later I stood in my bedroom in front of the pin-up. The last remaining trace of Ines in the room. It represented my desire to be with a beautiful woman at a time when I wasn't ready to have one in my life. But all of that

had now changed. There was nothing magical about the picture. The magic was inside of me.

I removed the pin-up from the wall, folded it, and slipped it into a drawer. Ines would remain with me always, but now only in my imagination.

Marcy and I didn't make it for the long haul. A week after we'd begun dating my test results came back. I had a tumor the size of an almond on my temporal lobe. The surgery was simple and the tumor ended up being benign, but by the time I made it back to work, Marcy had moved on to another man.

To survive the lonely nights that followed yet another of my break-ups, I put the pin-up of Ines back up. But instead of losing myself in fantasy, I became more proactive. I even signed up to learn Polish in night school, figuring it couldn't hurt to know the language in the off chance I ever had the opportunity to meet my fantasy dream girl in real life.

Tonight I summoned Ines to keep me company. She slipped out of her little cotton apron with flowers on the bib. Her perfectly matched tits never fail to take my breath away. Walking toward me, she pressed my face gently against her body. Breathing in the light floral smell of her skin, I flicked my tongue against her navel.

Ines urged me lower. A sigh escaped her lips as she encouraged my tongue to tease the light pink button I have grown to love. I nuzzled her love nest, no longer sleek and shaved but a maze of blonde, then burrowed into the velvety pinkness of her delicious cunt. Ines threw back her head in orgasm as I hummed against her clit and tenderly penetrated her with my thumb in preparation for the main-event–another virtual love making session.

Who knows what destiny may have in store. I used up my sick days this year, so it's going to be next year before I can go to Poland, but who knows? Perhaps some day I'll see the real Ines Cudna across a crowded room and she will smile at me. Then, we'll talk, and for some reason she'll feel drawn to me, and…again, who knows? Until then, or until I meet another amazing woman, Ines holds me tenderly in her arms each night. Her kiss a promise of a future filled with magic moments and if I'm lucky, perhaps even love.

REMEMBER THIS BUSTY BABE FOR THE 2005 NEWCOMER CONTEST

As this special issue of *SCORE* comes to an end and you get a load off all over 2004's top newcomers, here's a look at one of the early favorites for next year's title. Yeah, this is only the Jan. AGE: 25
BIRTHDAY: Oct. 22, 1979
HEIGHT: 5'8" **WEIGHT:** 137 lbs.
MEASUREMENTS: 42-28-38
BRA SIZE: 34F **LIVES:** Romania
OCCUPATION: Coffee shop manager
PREVIOUS MAGAZINE APPEARANCES: *Voluptuous*– Holiday '04, Nov. '04

We discovered Joana, a coffee shop manager in Romania, on a recent Bucharest scouting trip. One of our dual *SCORE/ Voluptuous* readers was over there on business and he told us the place was basically crawling with awesome naturals. We sent a photo crew over, and you know what? He wasn't lying. Joana is the first of the Romanian Big-Tit Renaissance, but trust us, *SCORE*-men, there are more! Lots more! In 2005 you'll see all of them!

The presence of that pussy-plunger aside, Joana is actually a very conservative woman. Her religious, affluent family has no idea she is posing, and Joana would like to keep it that way. Why is she taking the plunge(r)? It has something to do with living out a fantasy. See, since we first started publishing *SCORE* in 1992, we've come to realize one of life's truisms…chicks are just as horny and salacious as us guys. They have fantasies. Dirty ones. And, though you won't hear this kind of stuff discussed at any monthly PTA meeting, women will do practically anything to make their sexual fantasies come true. This is Joana's fantasy. We're just glad she turned to us to make it come true.

2004'S BEST HARDCORE 2

SCORE'S 2004 HARDCORE VIDEO ROUND-UP

BUSTY EURO MAIDS

We start off our annual review of 2004's best big-tit hardcore videos with an editor's choice for Best Hardcore Video of the Year. Starring three super-hot, all-natural, all-horny Czech mates: Marketa (far left), Veronika (above) and Iva (left), with a guest appearance by Perfect 10 babe Ines Cudna, *Busty Euro Maids* is flat out awesome XXX hardcore. Although each of the ladies here is a *SCORE* and *Voluptuous* superstar, the girl who goes super-nova of this video is clearly Iva, who, very simply, loves sex, especially anal sex. Petite and stacked with a pretty face, on *Busty Euro Maids*, Iva gets nailed in every hole except for her ear, and also has one of the hottest double penetration fuck- and suck-fests ever filmed. This video is already a XXX hardcore classic.

HARDSCORE
100% All Natural XXX

Featuring the hardcore video debut of Brandy, and more XXX action from Iva and Marketa. *Hard SCORE Volume #1* also features the hardcore debut of another *SCORE*-girl, slim-n-stacked black beauty Carmen. Tall and curvy with awesome tits, Carmen came to the *SCORE* studio wanting to make a name for herself in the adult industry, and with her XXX video debut, she did just that. There are so many special moments on *Hard SCORE*, we'd need a couple more pages to list them, but watch for Marketa's passionate and acrobatic tit-fucking (it oughta be a training video in every sex ed class, it's that hot) and Iva doing that anal thing like only she can. Trust us, if you're a bottom dweller, this girl takes it in the ass like no gal we've ever seen, and probably never will again.

HARDSCORE #2

Whereas the first *Hard SCORE* was strictly naturals, *Volume #2* does have some augmented women. Still, naturalists won't give a damn once they start jacking to all of the randy sex. With one of this month's *SCORE Xtra* girls, Carolyn Monroe (page 11), getting a three-hole plugging and screaming out her appreciation for every thrust, plus fellow newcomer Deauxma (right) doing the same until both her pussy and asshole are left gaping wide-ass open, and Fem-Dom aficionado Chantz Fortune (left) getting the dick stuck deep in her for a change, this video is a veritable big-tit XXX jackfest. When you toss in a super-hot Asian like Kianna, this video becomes a must-see for anybody who loves to see busty babes taking throbbing man-meat in every hole.

BLACK & STACKED Xtra #3

You know how every video has that one scene that you just can't stop watching? It may be *Hard SCORE's* Carmen (far left) with a cock in her mouth during her XXX encore on *Black & Stacked Xtra #3*. Or Chaka T.'s (below) all-natural tits swaying to the thrusting of her pussy. Or perhaps your most memorable scene is Africa and Cassitty having a tit-duel to see who can fuck, suck and tit-fuck the best. Every guy is different, but for many here at *SCORE*, their most memorable "did you see that" moment of *Black & Stacked Xtra #3* belonged to Vanessa Blue (left). Not only does she take stiff dick with unparalleled passion, the girl gives the wettest, sloppiest and definitely horniest blow job we've ever seen on any hardcore video. It's worth the price of admission alone.

SCORE Xtra 9

One of the first videos released in 2004, *SCORE Xtra #9* had a relatively unknown cast, at least by *SCORE* standards. The only real big-tit and hardcore superstar was Minka, and any chance we get to see the Asian Wonder in hardcore is a treat worth savoring. However, once we started jacking to *SCORE Xtra #9* and saw newcomers like Kiki Daire (above) and Latia Lopez (right), both of whom take big cocks right up their tight asses and tell you how every thrust feels, you know… Newcummers rock. But, in spite of all the anal, *SCORE Xtra #9* is a big-tit video through and through, with the breasts on display in practically every shot. *SCORE* calls it "Boob Vision." Big-tit lovers have a wordier, but more apropos title…"The one and only way to make big-tit videos."

SCORE XTRA #10

The latest installment of the award-winning *SCORE Xtra* series features an old pro and lots of hot newcomers. Busty Brittany O'Neil is the superstar and she shows why. The newcomers are destined to be stars. Harmony Sweet (below, left) has stardom written all over her huge, all-natural tits, as does cocksucking queen Sara Jay (in an entertaining Swami Boobananda scene). And Saholy (above, left) may not be as busty, but damn if she isn't one of the horniest, pick-a-hole-any-hole type of performers ever to fuck on film. And, because anal was all the rage in 2004, *SCORE Xtra #10* has plenty, especially with petite Holly Halston and Lori Pleasure, who take thick dick up their tight asses better than most girls take it in their snatch. This is an awesome hardcore video.

Voluptuous Xtra #9

Although these gals are a bit more voluptuous than your typical *SCORE*-girl, this video is loaded with plenty of fresh meat taking the meat. Joy Juggs (left) is the *Voluptuous* magazine superstar on *Voluptuous Xtra #9*, doing the dirty deeds for the first time on video, but it is the newcomers who set this video apart from the rest of the pack. Roxie (right) and Hayden (below) are two examples of ladies who aren't performing or doing a job or making video after video. These naturally curvaceous big-titters are living their fantasies and basically getting the greatest fucks of their lives. You know what? It shows. Yes, there's some anal. Lots of blow jobs. Titfucking. All that stuff guys love with ladies who live the *Voluptuous* credo…Real boobs! Real women. What's not to love?

Linsey Dawn McKenzie MAXIMUM INSERTION

Review By CURLY REDWOOD

In *Linsey Dawn McKenzie Maximum Insertion*, The Natural shows off her assets–and her ass–in five scorching scenes. Linsey does some solo work, girl-on-girl, and a smoking threesome with another girl and a guy. Hell, she even fucks a machine. No, it wasn't one of those evil machines from *I, Robot*. We don't cross-promote here.

NAUGHTY NURSE LINSEY

Nurse Linsey doesn't dress like anyone who ever gave us a sponge bath. She comes back into the doctor's office, expecting to clean up things up after an appointment. Then she notices her patient hasn't yet left the office.

Being the concerned health practitioner that she is, Nurse Linsey asks her patient if he is all right and if she bandaged him correctly. You can't help but admire that kind of conscientious effort and caring for her patients.

But then Linsey notices something she didn't see when she was patching this guy up. And we can't help noticing that Linsey is dressed in a white nurse's outfit with some very deep-plunging cleavage and a very short skirt that shows off the garters and white stockings she's wearing. Linsey is also in a pair of white platform heels that finish off the hottest nurse's outfit you will ever see. As soon as you hit your play button, your trousers will get tight.

"What's that down in your trousers," Linsey asks. "Am I turning you on."

Two words: Hell, yeah!

She gives her bodacious ta-tas a squeeze and lets us know that she has never done it in a doctor's office and then Linsey climbs up on one of those noisy doctor's tables. She massages her awesomely natural boobs and removes her bra with a flourish. She then uses a forceps to tease her nipples to hardness. Then she grabs some oil and massages it into her massive mammaries.

Next comes a piece by piece strip show. Linsey gets rid of her garters and then her panties, dragging each one through her damp pussy.

Our huge-hootered, sexy nurse even

Loaded with Linsey! The Natural's newest video not only features her long-awaited hardcore encore (a threesome with *SCORE* newcomer Veronika of *Busty Euro Maids)*, but unique scenes featuring Linsey and her Fuck Machine and a girl-girl with Ines Cudna. The DVD also contains a bonus two hours of extra scenes, one of which is a big-bust line-up featuring Linsey and the cast of *Busty Euro Maids.*

shows a sense of humor in this scene. Linsey finds one of those small rubber hammers that doctors use to check your reflexes (seeing Linsey naked should insure that your main joint is working) and taps her pussy with it. As she does that, her open legs fly open even wider. After that, she grabs a rather large, purple vibrator and furiously thrusts it between her tits.

The vibrator then finds its way to Linsey's sopping wet hole. She eases it in slowly and then starts pumping it into her waiting box. Linsey tries a variety of positions: Laying on her back, then squatting over it and riding the purple beast, then going on all fours to alternately push it deep inside and also to stimulate her clit with the tip.

By the time the end of the scene comes around, Linsey is furiously stroking the big, purple dildo. She's pumping it so hard, you almost expect an actual load to shoot out of it. Then all of a sudden there's cum on her boobs. No, it wasn't an optical illusion, it was our unseen patient finally making a cumeo, firing off a load onto Linsey's chest, leaving her with a satisfied smile.

DR. LINSEY'S SEX MACHINE

Okay, Dr. Linsey isn't exactly a mad scientist, but she does seem rather proud of her Fuck Machine.

Dr. Linsey has created a contraption that will fuck her silly. And, here's hoping that Ronco guy will start selling these during Sunday infomercials.

It's good to see that a doctor can still be sexy underneath that sterile white jacket. When Dr. Linsey removes her garb to show off an enormous white satin bra covering her enormous pillowy breasts, our thermometer starts to rise. Of course, Dr. Linsey is probably one of the few who wears stilettos and black thigh-highs to work.

On to her invention. You might have actually seen this advertised or on various adult channels because it is a real gadget. A dildo is attached to the end of a metal rod and is connected to a piston-type of engine. The result is that the dildo moves in and out, approximately 3-4 inches per thrust. Move closer and the thrusts go deeper. Move further away and the thrusts are shallow.

Dr. Linsey utilizes those inches to the fullest. She positions herself on all fours so the dildo is pumping her mouth. Then she lies on her back with her head

CAROLYN MONROE BAD TO THE BONER!

READY FOR ANOTHER OIL CHANGE? DO WE HAVE THE BIG-BOOB MECHANIC FOR YOU!

Ya gotta love a gal who is confident enough with her sexual prowess she can wear a bandanna to cover up great blonde locks. Guys love chicks in bandannas, especially those who work on motorcycles in their spare time and fuck full-time. And that's what *Hard SCORE #2's* Carolyn Monroe does, taking lead-like pipe in every hole like a fine-tuned machine.

CHECK LIST

CAROLYN MONROE

BIRTHDAY: September 17th
HEIGHT: 5'8"
WEIGHT: 128 pounds
MEASUREMENTS: 38-26-34
BRA SIZE: 34D
LIVES: Los Angeles, California
PREVIOUS *SCORE* APPEARANCES: Feb. '04 (XXX), Jan. '00
VIDEO: *Hard SCORE #2* (XXX-Rated, available in the Video Club on page 130 of this issue)

We last saw Carolyn Monroe in the Feb. '04 *SCORE Xtra,* manning the Erection Room as a busty nurse. Now, she's a doo-ragged mechanic chick. Hey, the girl can wear a lot of hats, and thank gawd for that, because when you take cock with as much passion as she does, the more hats the better! In a scene straight from the new XXX-Rated video *Hard SCORE #2*, one thing you can quickly tell watching Carolyn fuck and suck is that she isn't one of those girls who just lays there. Whether she's on all-fours going *woof! woof!* or riding reverse cowgirl screaming *yee-haw!* (amongst other unintelligible phrases), there's one constant when it comes to Carolyn and fuck positions...not only can she assume every one, but when she does, no hole is off limits. In fact, Carolyn begs for an every-hole plugging and isn't satisfied until she gets it...*hard!*

SCORE
JANUARY 2005 CENTERFOLD

Nope, the bandanna never comes off, so you'll have to find your own to clean up that greasy stain you just left all over these pages. But, you might want to get a big one–like a king-sized sheet–because not only do we have another hardcore *SCORE Xtra* pictorial in a few more pages, but all of the videos in this year's Round-Up (page two), including Carolyn's *Hard SCORE #2*, are in this month's Video Club on page 130 of this issue. A year's worth of jacking? Fuck that. These flicks are so hot, they'll last you until the next millenium.

Continued from SCORE XTRA page 10

below the steel rod and has the dildo thrusting in and out of her cleavage.

But the best part comes when she spreads wide and has the machine banging her like a drunken frat boy. No conscience, it's just hot sex. Dr. Linsey starts with the machine on its slowest setting and the dildo slides in slow and deep. Of course, Dr. Linsey then fires up the machine, turning up the dial to get some good pounding action going.

She lays back, spreading her legs wide to allow the machine to do its thing. Dr. Linsey sucks on her own nipples and rubs her clit as the machine pumps in and out of her with machine-like precision until she screams with pleasure and has a delirious orgasm.

But then you find out what was missing. Cock!

Earlier in the scene, Dr. Linsey does reassure the men who may be thinking they are about to become obsolete. "Nothing can replace a real cock," she says with a salacious look in her eyes. Here's hoping most women feel the same as Linsey Dawn McKenzie.

The highlight of *Maximum Insertion* is clearly Linsey getting porked, especially with Veronika along for the horny ride!

THE TRAINING OF INES CUDNA

This scene starts with Linsey on the phone while she relaxes in a bikini on a poolside veranda, covered to protect our beauty from those harmful UV rays. Ines walks in and takes the chaise lounge next to Linsey, who sounds very executive-like as she talks into her cell phone about needing to find models.

Such a happy coincidence.

Anyway, for some reason Ines is wearing a black dress over her swimsuit. It serves as nothing more than a great prop because it gets stuck as she tries to lift it past her bountiful bosom.

"Wow," Linsey Dawn exclaims when Ines' dress clears her boobs. "I think I could be looking at the next Linsey Dawn McKenzie. I'd better be careful."

As it turns out, the only thing Linsey needs to worry about is being smothered by Ines' giant jugs.

Ever the helpful mentor, Linsey shows Ines a few poses. As you should know, the modeling games isn't just about looking good, it's also how you display the package. And who shows it off better than Linsey? She shows her favorite position (for modeling, we assume) when she gets on all fours and shoots a seductive look toward Ines. Then she gets on her side and cups her left breast in her bikini, showing the newbie how the pros do it.

Then Linsey has a revelation. "Do you mind if I have a look at your boobs?" Linsey removes Ines' bikini top and gives her hooters a squeeze. She then removes her own top and the girls go nipple-to-nipple. Linsey asks Ines if she can lick her own nipple and the rookie does so with ease. The kid's a natural, and so are her breasts.

Linsey then picks up a dildo as if it were sunscreen and asks Ines, "Have you ever seen one of these before? I never leave home without it." The girls go to find a more private spot, away from horny eyes, but not our cameras. We were surprised to note that Linsey leaves her cell phone on her chair. Such a trusting woman.

So here we have two topless hotties sitting on a bench in what looks to be a clubhouse. Can you imagine turning the corner and walking into Linsey sucking on Ines? Yeah. We can dream, too.

Ines then lays back on the bench and Linsey straddles her, leaning down to suck her nipples. She then removes Ines' bikini bottom and her own before working the newcomer over with her fingers and tongue. Linsey shows off her oral abilities as Ines sucks on both of her nipples like a pro.

Ines then returns the favor as Linsey breaks out that vibrator and works it between her tits before giving it to Ines to work into her soaked pussy. Linsey then is the one returning the favor with the vibrator until Ines has an orgasm.

Ladies and gentlemen, a star is born.

THE "F"-CAGE

Linsey is standing in a makeshift cage and looking ready for action. Behind her are gloryholes for guys to put their cocks through. Linsey is actually banging on the chain-link fence of the cage from the inside with…imagine this…a vibrator, trying to drum up business and get some attention like a prisoner banging on the bars with a tin cup waiting for his dinner.

She finally makes her way back to the graffiti-covered wall where two dildos are waiting for her. One of them is mouth-level after she gets on her knees and the other is lower and to the left. Linsey services both of them orally, licking and sucking the fake dicks as if they were real.

After the higher of the dildos appears to shoot a load on her tits, she moves to the lower cock and puts it between her boobs. She pumps it furi-

ously with her hand until suddenly more cum is dropping onto her breast.

ONE INTO TWO

Now, this is what you've been waiting for. Not only does Linsey get fucked by a real cock in this scene, but it also involves a threesome with busty Veronika. Ignore the trainer with the shorts that look like they were borrowed from Richard Simmons and the accent that sounds like it was borrowed from Hans and Franz. Actually, it's the girls who pump him up.

It's amazing that this guy doesn't have a bulge in his pants with Linsey riding an exercise bike in a gray top that is falling off both of her shoulders and what might as well be a thong. Veronika is working the pec machine in a white tank top that doesn't leave much to the imagination. Instead, he's too busy being a taskmaster while the girls flirt with him.

But Linsey feigns an injury to her pendulous pec and asks the trainer if he could massage it for her. The trainer is so brain-dead that Linsey finally has to just put his hands on her breasts for him to get a clue. Linsey then has the brainstorm of a boob contest to see which of the ladies needs to build more muscle in her chest. It's obvious both girls are of international caliber.

By now the trainer has grown a brain and some balls and he tells the girls he needs to see their full bodies to properly evaluate them. Linsey and Veronika tell the trainer he should also lose his clothes and he finally does when Linsey grabs his cock out of his shorts and wraps her lips around it.

The girls take turns slobbering his knob. Veronika grabs the shaft and works on the head while Linsey goes for his boys, sucking one nut at a time. Then they switch and Linsey inhales half his bone down her throat before giving it back to Veronika.

The girls give this guy a lot of oral action before he gets to fuck Linsey's tits. At the same time, Veronika is fingering Linsey's snatch, getting her doubly turned on. Then Linsey moves onto her side and the trainer checks her kegel muscles with his erection.

Proving the only thing he and Richard Simmons have in common are those shorts, the trainer gives Linsey some long and robust strokes. When he turns up the intensity, Linsey's cans go crazy, furiously bounce around as if

they had minds all their own. They do the same when she climbs on top of the trainer and rides his barbell for a while, and as a big-tit lover, all this reviewer has to say is, "God bless the director!"

Then Veronika takes a brief turn on top, but soon after it's Linsey straddling his throbbing meat and riding it hard. They go back and forth quickly in this segment with Veronika bending over a bar in front of a mirror and taking it from behind before the same thing happens to Linsey. The difference is that she takes it harder and faster and gets her ass spanked in the process.

Finally, Linsey takes it deep doggie style while sampling Veronika's cooz. The next shot shows the trainer shooting a huge load onto both girls as they kiss, with most of his jizz landing on Linsey's chin and neck.

But wait, the DVD's not over yet. After the credits roll, you will find a bonus section. It's not bonus sex, but it is bonus nudity. One is a peek backstage with Linsey as she prepares for a scene. Another has Linsey in the "Costa Del Sol Lineup." After that comes "Underwater," a scene where Linsey and the *Busty Euro Maids*–Iva, Marketa and Veronika–frolic in a pool. And finally some bonus scenes.

So much Linsey, you won't know what to do with yourself. Actually, you will, and that's the best part.

HARDCORE CZECH-MATING!

IF BIG-TITS ARE THE INTERNATIONAL LANGUAGE, FUCKING IS A CLOSE SECOND!

It's a beautiful thing, the world of *SCORE Xtra.* Every month we get beautiful, busty babes to suck cock while we take pictures to show our friends. Here's another sexy Czech-mate. Jana is her name, and though she admits she isn't in the super-sized cleavage category, Jana can fuck and suck better than most, which is plenty good enough for us!

A bank teller in Prague, something tells us when *SCORE*-men show up at her window, they won't be getting cash. They want a Czech, baby, just like Jana! And no withdrawals. Deposits only–thick, gooey ones! Which is fine with Jana who, at a prime-time-for-fucking 26 years young, hasn't been around the sexual world like a few American gang-bang porn stars. But she has been around the block, and she wants to go around a few more. Are we seeing a future porn star? That's up to Jana. But, her future is looking pretty good so far.

We were going to ask Jana for anal, but you know, after we saw her getting off…and boys, this chick was really cumming (a lot!) during this shoot!…and going at it so hard, we plumb forgot. Hey, you know how it is when the blood goes to that one spot. You forget shit all the time. Like we've said since 1992…*SCORE* is for tit-men, by tit-men, and during Jana's shoot, we professional tit-men couldn't help ourselves. Can you blame us?
